Covenant House California “Wish List”

Thank you for joining us in our belief that no young person deserves to be homeless, and that every young person in CA deserves shelter, food, clothing, education, medical care ... and most importantly, to be loved. Covenant House California (CHC) is incredibly grateful to the generous women of IMPACT 100 for the opportunity to apply for a grant AND to present these additional opportunities to directly support youth facing homelessness in the East Bay.

Donation of Items: <https://covenanthousecalifornia.org/Donate-Items/>

As you can imagine, housing young people and keeping them occupied during COVID-19 has been an incredible service of love by our staff, who selflessly continue to show up and care for our youth throughout the pandemic. On the wish list above, you can click on the link and see the items that will go directly to our youth. Our greatest current need is underwear! We are fortunate to have enough socks and clothes to last us a few months. You’ll also see snacks, art supplies, games and cleaning supplies are also items that would be greatly appreciated!

Donation of Time & Talent:

Prior to the pandemic, we’d invite you all to join us for a tour or at our open house in August! Since we can’t meet in person for the foreseeable future, a few ways that you could support our youth virtually, would be to:

- Package care kits that our street outreach team could utilize in our human trafficking outreach. Kits include hand sanitizer, feminine wipes, candy, a note to remind someone that they are loved and worthy.
- Host a Zoom Workshop? Our youth love art, music, sports & wellness. Ha, they need resume work too!
- Volunteer and participate in a virtual Sleep Out – www.sleepout.org
